Chapter 23: Graphical Representation (Histograms and Ogives)

Previous year board questions, topic-wise: 4 questions

The tag after each question gives the board examination year and the marks. Solutions are in a separate PDF with the same question numbers.

1 Mode from a histogram

1. Draw a histogram for the marks of 164 students given below, and use it to find the mode.

ICSE 2025, 3 marks

Marks	30–40	40–50	50–60	60–70	70–80
Number of students	10	26	40	54	34

2. A histogram shows the heights of the plants in a school garden. Its rectangles stand on the classes 30–40, 40–50, 50–60, 60–70, 70–80, 80–90 and 90–100 (in cm) and have heights 4, 2, 8, 12, 6, 3 and 4. (a) Make the frequency table. (b) State the modal class. (c) Find the mode. (d) How many plants are between 80 cm and 90 cm tall? ICSE 2024, 5 marks

2 Reading an ogive

3. An ogive for the monthly salaries of the workers in a factory passes through the points below. Find (a) the total number of workers (b) the median class (c) the lower-quartile class (d) the number of workers earning at least ₹6,000 but less than ₹10,000. ICSE 2025, 4 marks

Salary less than (₹)	2000	4000	6000	8000	10000	12000
Cumulative number of workers	10	20	35	55	70	75

4. The ages of 100 policy holders are given below. Draw an ogive and use it to find (a) the median age (b) the number of policy holders older than 52 years. ICSE 2024, 4 marks

Age (years)	20–25	25–30	30–35	35–40	40–45	45–50	50–55	55–60
Policy holders	2	4	12	20	28	22	8	4
Cumulative frequency	2	6	18	38	66	88	96	100

These questions are based on questions asked in past board examinations. They have been reworded by MathSetu, the figures are redrawn, and the solutions are MathSetu's own. MathSetu is an independent study resource and is not affiliated with or endorsed by CBSE, CISCE, NCERT or any publisher.
